(RB1000W)

RAMBUFF FAST CUT COMPOUND W/ WAX

TECHNICAL DATA SHEET

PRODUCT INFORMATION

Ram Buff Heavy Duty (RB 1000) is a fast-cutting compound designed to quickly remove heavy oxidation, scratches, and surface defects on polyester-based coatings. Will remove scratches from P1000 and finer.

PRODUCT ADVANTAGES

- Perfect for polyester gelcoat and surface coatings
- Application for Marine, Recreational Vehicles, Automotive frp, etc.
- Fast cutting
- Water base, Silicone free
- Finishes with a higher gloss than the RB 800

STEP 1 **COMPOUNDING** → STEP 2 **COMPOUND/POLISH** → STEP 3 **POLISH** → STEP 4 **GLOSS & SEAL**
